This half term's topic for the Little Owls is...

Superheroes

Personal, Social and Emotional Development

We will discuss ways to stay safe in everyday life by introducing real life heroes such as fire fighters, police, doctors and soldiers. We will also look at the behaviour of superheroes and villains.

Language & Communication

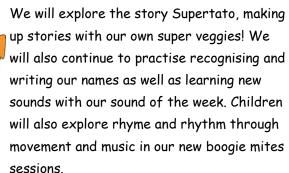

Children will make up and describe their own superhero characters, thinking about their powers and costumes. They will learn lots of new topic related vocabulary and will be encouraged to talk and use it in their role play.

The children will learn about healthy lifestyles with healthy eating and exercise to help them stay as fit as a superhero. They will also be able to help set up a Superhero Gym role play area to promote this and take part in superhero obstacle courses where they can climb, balance and move in different ways.

Physical Development

PE for the Little Owls is on a Friday.
Please could you ensure your child comes
dressed in PE clothes with appropriate
footwear every Friday.
