January Newsletter

'Together We Succeed'

Dear Parents

A Happy New Year to you and your families. I hope you all had an enjoyable Christmas.

The children have quickly settled back into their classes and are working hard. Please see class newsletters for details of what your child will be learning in school this half term, together with information regarding homework and other ways in which you can support your child at home. On our last parents' survey a suggestion was made regarding online learning. All children (apart from Nursery) now have access to Purple Mash activities, and Seabirds can also access Abacus maths activities. Please see your child's teacher if you have any queries regarding these resources or if your child is unsure of their log in details.

Thank you for your continued support and please do not hesitate to get in touch if there are any matters you wish to discuss or that I may be able to help you with.
